

THE CLASS OF 1969 PRESENTS

THE MARINER'S LOG

THE SEA NEVER CHANGES AND ITS WORKS FOR ALL THE TALK OF MEN, ARE WRAPPED IN MYSTERY.

JOSEPH CONRAD

DEDICATION

My Friend

I'd like to be the sort of friend that you have been to me, I'd like to be the help that you are always glad to be, I'd like to mean as much to you each minute of the day As you have meant, Good Friend of Mine, To me along the way. And this is just to wish somehow That I could but repay A portion of the gladness that you've strewn along my way, For could I have one wish today, this only would it be, I'd like to be the sort of friend that you have been to me!

Edgar A. Guest

The words of the poem express our thoughts to you. We of the class of 1969 are proud to dedicate this annual to Mrs. Saling, knowing that without her capable help the school would erupt in disorder.

ALL ABO-O-O-A-A-

Imagined that you have just embarked on a short cruise upon The Sea of Life. Our ship is called The Homer High. Our journey will last nine months.

The sea we travel upon is quite unpredictable.
When all is calm and enjoyable we are fortunate,
but too often it is stormy,
and some of our passengers become "sea-sick."
There are times when
life on our ship is uneventful, and the days
bland and monotonous.

We will halt at various Ports of CALL, including the ports of band and jazz ensemble, lettermens club, and newspaper.

We will also be pausing at the Athletic Islands to participate or be a spectator of the various sports during the year.

The First Class passengers are taking their last cruise on The Homer High, while for the Third Class this is just the beginning. These passengers have several more trips ahead of them.

We hope your cruise is a pleasant and enjoyable one.

THE CAPTAIN

DONALD E, RONDA, PRINCIPAL

The captain of our ship is Mr. Ronda. This is the seventh year he has been with the Homer High. We realize we are fortunate to have such a skilled and able captain.

The crew is composed of the various members of the faculty. Each has a different job to do in helping our ship run more smoothly and also with services to the passengers. Some crew members have been with us for a long time, others are new here this year. All of them know the ropes.

THE CREW

We wish to take this space to express to Miss Bassett our appreciation of her help over the years. Sometimes we have forgotten to say thank you and so, in this small way, we hope you will know that your time and effort has been worth while.

THANK YOU,

THE CLASS OF 1969

Americanism means the virtue of courage, honor, justice, truth, sincerity, and hardihood--the virtues that made America. The things that will destroy America are prosperity at any price, peace at any price, safety first instead of duty first, the love of soft living and the get-rich-quick theory of life.
