ADMINISTRATION

Homer High School is proud to have as its administrator, Dr. James D. Milne. Dr. Milne's educational background lists a Bachelor of Science degree from the University of Minnesota, a Master of Arts degree from Long Beach State in 1953, and a Doctor of Philosophy degree in 1962 from Michigan State University.

During the time Dr. Milne has been H. H. S. administrator, he has worked diligently for the betterment of the school. His hard work and efforts toward this goal has earned him a place of high respect among the students and faculty of Homer.

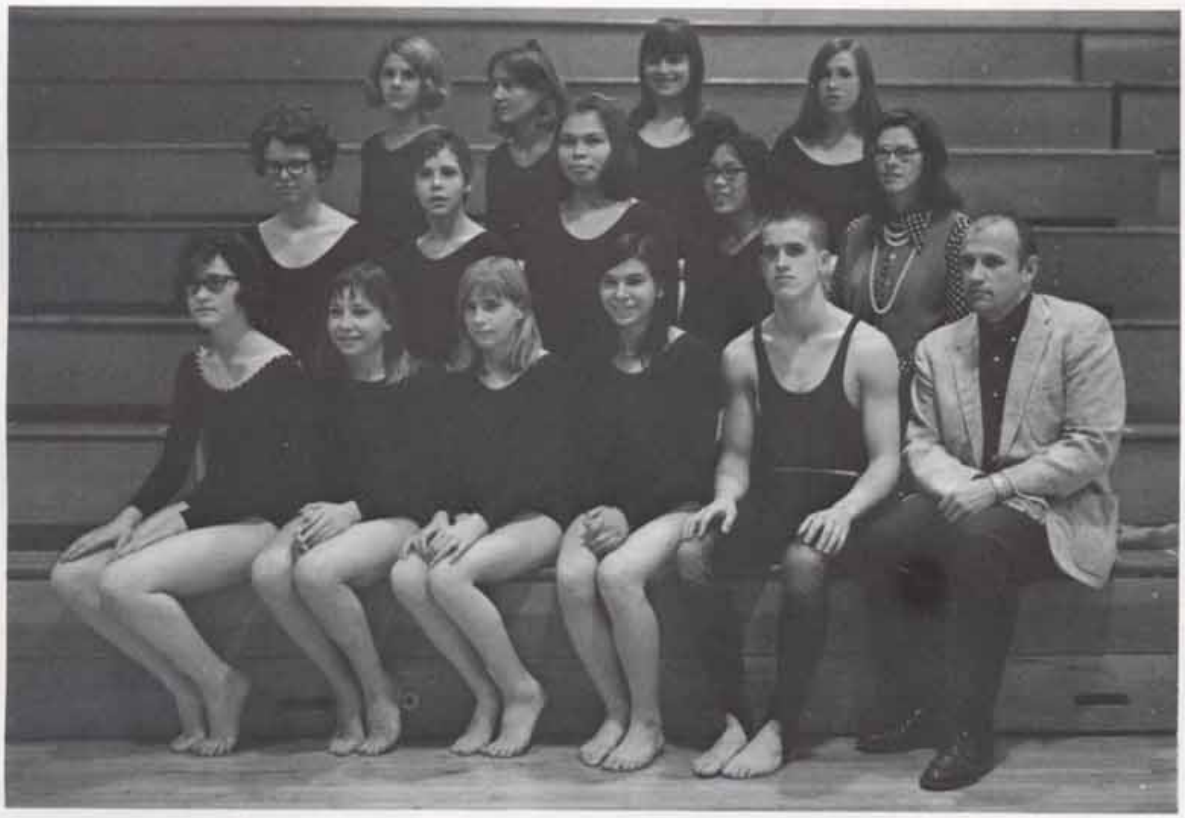
CROSS-COUNTRY

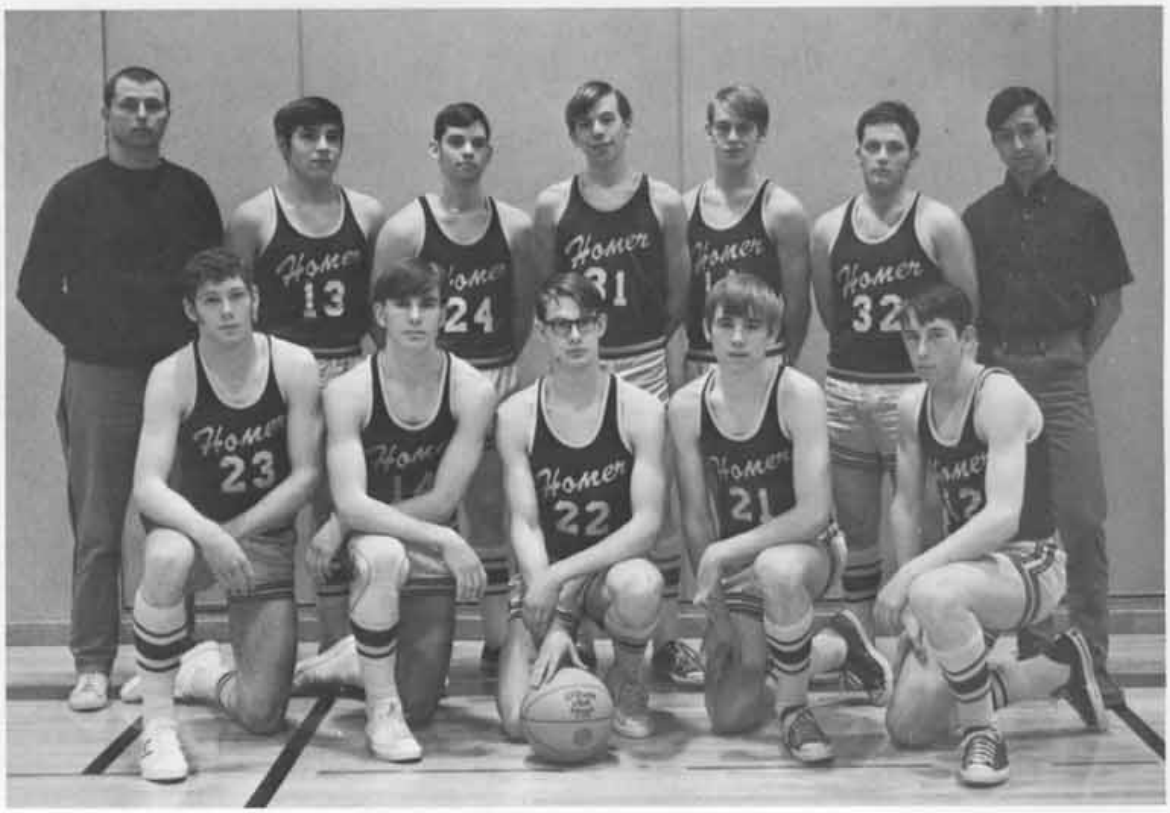
Cross country is the first sport when school starts. The course is 2 1/4 miles long. It takes a lot of guts and stamina to complete the course. There are two and sometimes three teams; the Varsity, J.V., and third team. Each team consists of 7 boys. The cross country season is the shortest and one of the hardest.



Front: P. Taylor, J. Nussbaum, B. Nussbaum, M. Lee, A. Carrol, Mr. Johnson. Second: J. Vanderbrink, B. Nussbaum, E. Reohl, N. DelaCruz, Mrs. Johnson. Third: C. Turkington, C. Parsons, T. Fitts, M. Tillion.

GYMNASTICS

Gymnastics is one of the new coed sports. It is coached by Mr. and Mrs. Johnson. The kids work hard to put on a good performance. There are several meets during the year. Near the end they have one big meet at Seward.



Front Row: J. Cason, B. Crowder, R. Dubber, B. Babcock, J. Cundiff. Second Row: Mr. Blizil, B. Glanville, R. Thompson, B. Babcock, D. Mills, T. Henwood, F. Hatfield.

VARSITY BASKETBALL

Basketball was started in 1958 with the completion of the high school. Until recently basketball has been a major spectator attracting sport. It has now been taken over by wrestling. The past has had its good and bad years. The most successful season was 1966-67 when they took the Class B State Championship.

VARSITY CHEERLEADERS

Although this is a very young group, these girls are working hard to become the outstanding cheerleaders of Homer High. Already their teamwork is obvious during their performances at basketball games. They back the wrestling and basketball teams at as many events as possible.

K. Harris, B. Damby, T. Jancek

J V CHEERLEADERS

Due to circumstances beyond their control, the junior varsity has had to do much of their season with three girls. They have worked hard and lend much enthusiasm and support to their squads.

The success of any sports program depends on the material that is fed to it. Therefore we try hard to give girls as much experience as possible and this accounts for the programs that are in operation.

Americanism means the virtue of courage, honor, justice, truth, sincerity, and hardihood--the virtues that made America. The things that will destroy America are prosperity at any price, peace at any price, safety first instead of duty first, the love of soft living and the get-rich-quick theory of life.
