

MARINER'S LOG '74

A dark, atmospheric landscape photograph. The scene depicts a forest of evergreen trees in the foreground and middle ground, silhouetted against a dark sky. A prominent horizontal band of orange and yellow light, likely from a low sun or moon, stretches across the upper half of the image, creating a misty or ethereal glow. The overall mood is somber and contemplative.

DEDICATION

A moment to talk between classes---a joke to share
---a problem to listen to---minds to mold---an organi-
zation to improve---gymnastics practice---time con-
suming, of course. But your interest is there and we
know you are behind us.

We want you to know that we fully appreciate all
the time, effort, help and consideration you have shown
us. That extra push you have given us in classes or any
other time it was needed was the incentive to guide us
toward higher goals.

And so---we dedicate this 1974 Mariners Log to you,
Mr. Johnson.

"If it isn't done right then it isn't done
at all."

SENIORS

It is never any good dwelling on good-byes, it is not the being together that prolongs, it is the parting.

CLASS OF 1974

For the past four years the Senior class has been represented by the class officers: Steven Gregory, vice president, Terrerae Thoms, treasurer, Kathleen Harris, secretary, and Douglas Cundiff, president. They bring suggestions before the Student Council that class members might have.

CLASS HISTORY

When we began our first year of high school in the fall of "1970" we were very excited and enthusiastic. Our class officers as we elected them were, President-Butch Schollenberg, Vice President-Duane Schwartzwald, Secretary-Robert Rabick, Treasure-Judy Rodgers. Our sponsors were Mr. Harrison and Miss Robbins. With their help we were able to put on the annual "Sadie Hawkins" dance. It was a big success. As Freshman a large percentage of us were always getting caught doing things we weren't suppose to be doing. Somehow we made it through that year and went on to be Sophomores the next fall.

We entered our Sophomore year with much more confidence than we had the year before. We held our first class meeting in September and elected our class officers. They were, President-Duane Schwartzwald, Vice President-Chris Rainwater, Secretary-Verna Sampson, Treasure-Stacy Austin. Our Sponsors for this year were, Miss Rohweder and Mr. Johnson. They helped us to put on the "Sweethearts Ball" which was a smashing success you could say. Also during the winter we ordered a movie and showed it to the student body. At the end of the year we began to look forward to coming back as Juniors and upperclassman.

When we became Juniors we took advantage of the fact that we were now upperclassman. We made the most of our year. Our class officers were, President-Duane Schwartzwald, Vice President-Kelly Haynes, Secretary-Ida Davis, Treasure-Martha Tillion. Our sponsors for our Junior year were Mrs. Jones and Mr. Varick. With much help from both of them we succeeded in making the Junior concession stand a big success. With the money we made from the stand and other things, dances and such, we were able to put on the Junior-Senior Prom and Banquet. Our theme was "Roman Holidays."

As we began school this fall, our Senior year and last year in high school we started thinking about just how much enjoyment we had had in our three years before. We elected class officers. They are, President-Doug Cundiff, Vice President-Steve Gregory, Secretary-Kathy Harris, Treasure-Terrae Thoms. Our sponsors are Mrs. Cason, Mr. Tennant and Mr. Harry. With help from them we put on the "Christmas Ball" this year. As the school year comes to a close we look forward to graduation and backward to all the memories our years here have held.

We wish to thank everyone who has helped us through our four years at Homer High. It is much appreciated.
