Pesterday through

Tomorrow

Dennie Gillham

If our friendship depends on things like space and time, then when we finally overcome space and time, we've destroyed our own brotherhood. But overcome space, and all we have left is Here. Overcome time, and all we have left is Now. And in the middle of Here and Now, don't you think we might see each other once or twice?

Jonathon Livingston Seagull

Dedication

We, the class of 76 dedicate this annual to Carol Moss.

My Friend

I'd like to be the sort of friend that you have been to me, I'd like to be the help that you are always glad to be, I'd like to mean as much to you each minute of the day As you have meant, Good Friend of Mine, To me along the way. And this is just to wish somehow That I could but repay A portion of the gladness that you've strewn along my way, For could I have one wish today, this only would it be, I'd like to be the sort of friend that you have been to me! Edgar A. Guest

"You give but little
when you give of your
possessions. It is
when you give of yourself that you truly give."
Kahlil Gibran

Spirit

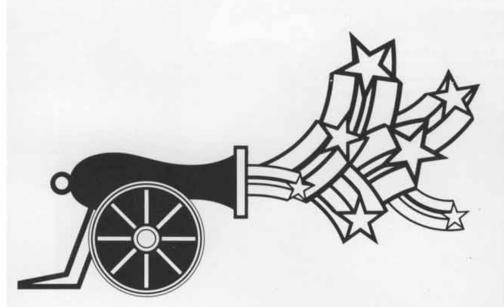

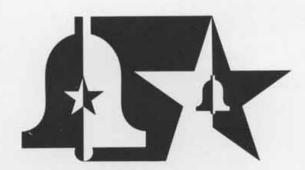

of

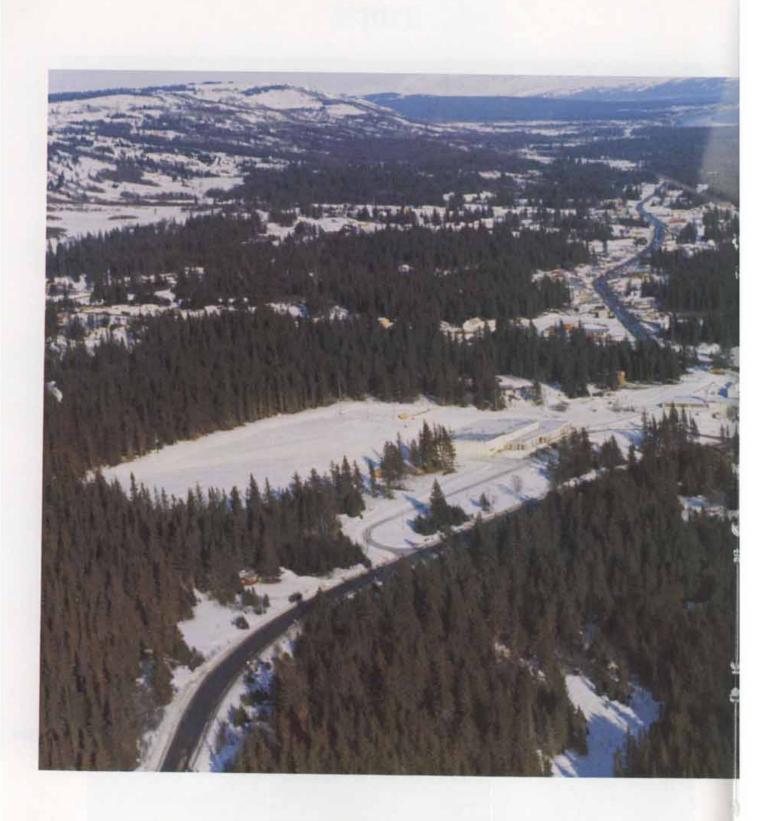

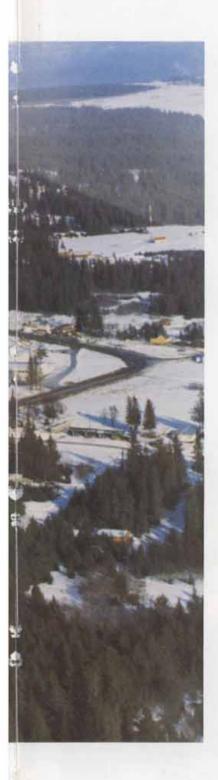

Does the road wind uphill all the way? Yes, to the very end. Will the days journey take the whole long day? From morn to night, my friend.

But is there for the night a resting place? A roof for when the slow dark hours begin. May not the darkness hide it from my face? You cannot miss that inn.

Shall I meet other wayfarers at night?
Those who have gone before.
Then must I knock, or call when just in sight?
They will not keep you waiting at that door.

Shall I find comfort, travel
sore and weak?
Of labour you shall find the
sum.
Will there be beds for me and
all who seek?
Yes, beds for all who come.
Christina Georgina Rossetti

G y m n a s t i c z

Liz and Bill Johnson put many dedicated hours into helping this widely popular sport keep progressing. This year there are 13 girls and 2 boys involved.

The Cross Country team is coached by Al Poindexter. The sport is basically individual performance, which is combined into a winning

Cross Country

Barsity

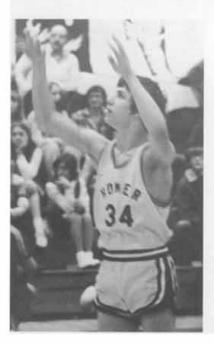

Baskethall

The boys Basketball Team is coached by Frank Libal. They had a lot of hard workouts in the gym and they had a lot of great games. Their manager is Keith Chesser.

I. H.

Barsity

The girls basketball team is coached by Don Harrison. They put lots of effort into their practices and into their games. Their manager is Chris Hagen.

Baskethall

I.

Freshman Team

The freshman team is sponsored by Bill Schroeder. This team enables the freshmen to obtain more experience.

Cettermen's Club

The Lettermen's Club is sponsored by Vic Varick. This year they sponsored a movie called "Sourdough." The proceeds went toward new uniforms.

I.H. Baskethall

This year we were fortunate enough to have not only J.V. and Varsity cheerleaders for basketball, but we had cheerleaders for wrestling as well. These combined helped to bring more spirit to our school.

I.H.S. Cheerleaders

I.H.S. Cross Country

Chorus

The Chorus is directed by Mr. Bud Harry. They have participated in numerous concerts. They are planning to attend the State Festival.

Band

The Band has played in assorted concerts and has participated in pep rallies and basketball games all under the direction of Mr. Harry

J.H.S. Band

For the things we have to learn before we can do them, we learn by doing them.

Aristotle

Beginning Band

The Student Council has one representative for every fifteen students. The Student Council promotes school spirit, governs the student body, and regulates all class activities.

Student Council

A.V. CLUB

Sponsored by Mr. T. Bracht. It is responsible for all audio visual equipment for the school.

A.H. Club

Newspaper Class

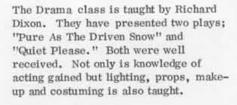

Drama Class

DRAMA CLASS

The Annual Staff started out with six hard working girls. Gradually the class was depleted and left with four girls who have done their best to put out this Annual. Their advisor is Jan Morris.

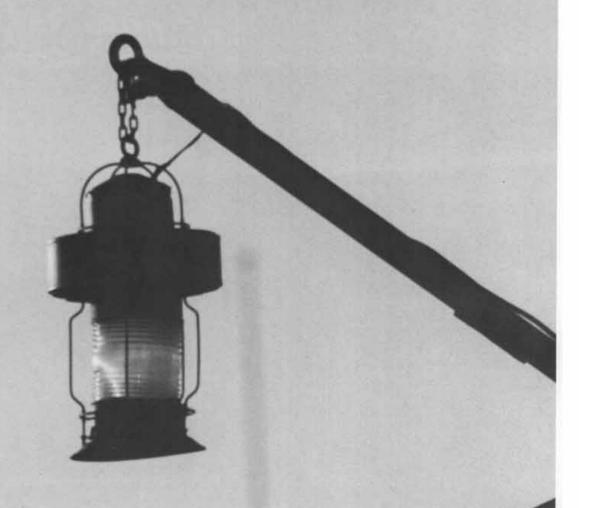

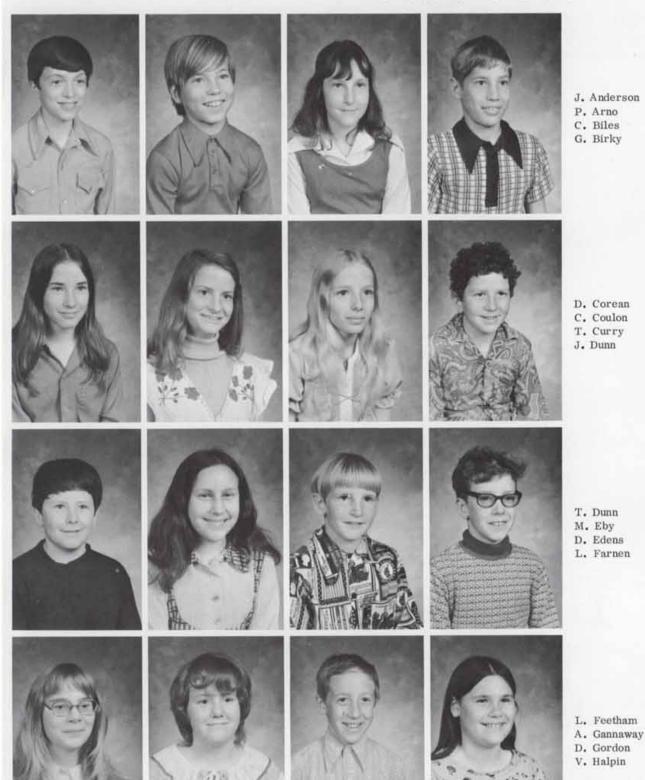

Underclassmen

7th Grade

Class Of 81

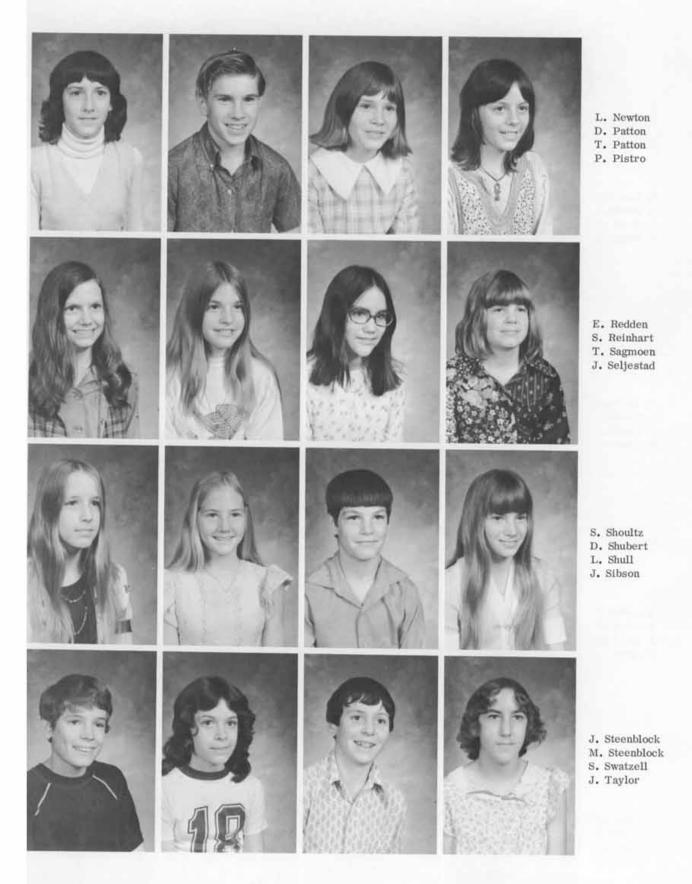

With the money they earn, the 7th grade has a picnic at the end of the year. Their sponsors are Mrs. Moss, Mr. Bracht, and Mrs. Budge.

T. Hofeling M. Holt R. Huffman K. Jackson A. Jones M. Jones K. Knutson J. Ladrini P. Lent K. Metcalf J. Mitchell D. Moore T. Moss

And a youth said, Speak to us of Friendship.
And he answered, saying:
Your friend is your needs answered.
He is your field which you sow with love and reap with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger, and you seek him for peace.

When your friend speaks his mind you fear not the "nay" in your own mind, nor do you withhold the "ay."
And when he is silent your heart ceases not to listen to his heart;
For without works, in friendship, all thoughts, all desires, all expectations are born and shared, with joy that is unacclaimed. When you part from your friend, you grieve not;
For that which you love most in him may be clearer in his absence, as the mountain

to the climber is clearer from the plain.

electricity

Electricity performs many tasks to provide cleanliness and comfort. Electric heating, air conditioning, humidifiers and de-humidifiers enable you to live in a cleaner more comfortable indoor environment. A variety of air cleaning devices, such as filters in heating and air cleaning systems and electronic air cleaners, remove smoke, dirt, pollen and other impurities from the air you breathe.

buildsabetter

In the future, electric automobiles and electrified rapid transit systems can remove much of the pollution now created by internal combustion engines. Electric energy will be increasingly used to dispose of waste, re-cycle waste, remove salt from sea water and treat sewage. All of these present and future electrical devices will increase your need for electric power.

environment!

Even if all future power comes from fuel combustion plants, the byproducts of this combustion can be removed more efficiently at modern, central stations than at the hundreds of individual locations where energy is needed. Improved air scrubbers, precipitators and other antipollution devices promise even greater future air cleanliness.

Clean electricity will increasingly be an aid to a better environment.
