# Homer Alaska

land of contrasts

We live in Homer, Alaska, an awesome land of many contrasts. We have learned to love the brilliant snow and deep darkness of winter days as well as the abundant green and long bright days of summer. We have known calm seas and stormy waves, high tides and low. We have been drenched by autumn rain, dazzled by winter sunsets, bogged down by spring mud. Each one of us has experienced the relationship between our magnificent home and the contrasts within our own lives. This is our book...of contrasts.

# **FACULTY AND ADMINISTRATION**

Has anyone ever told you, "Enjoy high school; those are the best years of your life."? I remember such a statement several years ago. At the time I thought the person was out of touch. Although I might not agree with the words "best years"; I have to agree they are great years.

I trust that your 1980-81 year at Homer High School has been a great one. The school staff has worked hard on your behalf. May the future be bright and productive for each one of you.

Best wishes

A MESSAGE FROM THE PRINCIPAL  
MR. LEE WINN

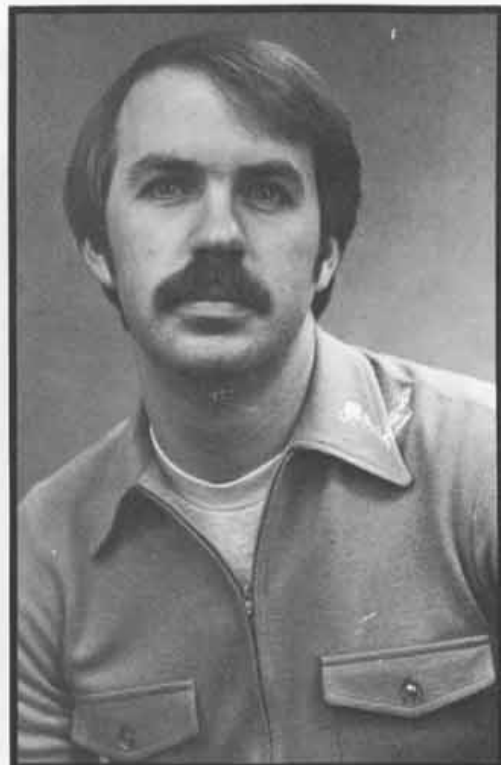

As your new Principal, I am very pleased with what I see transpiring at Homer Jr./Sr. High School. The school pride and spirit that is emanating throughout the student body is very high. Homer is "Number One". Let's keep this prevailing attitude that we are "Number One" and let the rest on the Peninsula see what we already know at Homer Jr./Sr. High School.

A MESSAGE FROM THE VICE-PRINCIPAL  
MR. LARRY NAUTA

In that to a large extent we are what we think we are, it is obvious that the student body views itself as tops and well it should. Through your concerted efforts many positive changes have been made that enable students, faculty, staff and community to view the school with pride.

We will always remember the social aspects of life at Homer High. This year the traditional social customs were quite shaken by the advent of the new administration: saying the pledge of allegiance EVERY morning; the new in-school suspension, fondly dubbed the 'black hole'; the closed campus; the clamp-down on public affection; the new attitudes toward authority; and especially the switch from a 55-minute lunch period to one of 26 minutes. And then there are the things that never change: socializing in the library; the DISGUSTING school lunches; the teeny lockers; the rare sunny days when nobody can stay inside, regardless of duties; the escalating excitement as prom and graduation approach; the pop machine, eternally out-of-order... These things and many others are what we will remember most about our years at Homer High.

The fine autumn months this year brought forth one of the most successful cross country seasons Homer High has had in the last ten years. Our goal of a first in Region 111 ever so slightly slipped from our grasp. On the other hand, individual dedication and team commitment was cemented with improved times, skills, knowledge and above all, fun.

The swim team had a very successful season, despite pool problems which necessitated six weeks of grueling weight-lifting, calisthenics, and long-distance running. Three swimmers qualified for the state championships: David Myhill in the 200 and 500 yard freestyle, Lynn Davis in the 50 yard freestyle and the 100 yard butterfly with a Borough record of 1 minute, 6 seconds; and Genile Cummings in the 500 freestyle.

The skiers got off to a running start with a lot of pre-season training, which means calisthenics, weight training, and yes, of course, running. Fourteen healthy bodies turned out, half of them seasoned veterans, and half enthusiastic newcomers. There were enough new skis to put almost everyone on Edsbyns, which filled the ski room to capacity. A ski box was made for one of the vans to hold the equipment of the largest team in Homer High history.

Crippled by a lack of snow, the team had a frustrating season. Out of six scheduled meets, all but one were cancelled. Anchorage cancelled their entire competitive program, so the team made two trips to Fairbanks, one of which was to the State Meet. Both girls and boys took second place there, and Mike Wise qualified for the Junior Nationals.

I have many positive things I'd like to say about this year's squad, but it seems that expressing them would somehow diminish their meaning. The 1980-81 team brought the Homer Boys Basketball Program in to respectability and I thank each player for this. A summation of the efforts of these young men may best be given in a quote I have in my room, "Happy are those who dream dreams and are ready to pay the price to make them come true." My sincerest best wishes are with the graduating seniors. Underclassmen take it from here....

The addition of more male voices made a noticeable difference in Homer High's choir this year. The choir had several successful home concerts this year, in addition to participating in the Regional and Borough festivals. Homer High's choir had three members selected by audition for the All-State Honor Choir. Tracy Curry, Lynn Hanoski, and Al Jones represented H.H.S. at this year's All-State hosted by Kenai Central. The choir ended its busy year of fund-raisers and concerts with its traditional performance of "The Old Irish Blessing" at senior graduation.

The Spanish Club is led by a dictator King, who claims to be a benevolent despot. His queen reigns regally over all the social functions.

The purpose of the Spanish Club is to learn more about the Spanish-speaking peoples of the world, their customs, traditions, and way of life; to promote cross cultural experiences, further brotherhood and fellowship amongst peoples of the world, and to have a really great time while doing it.

# PEP CLUB

H.H.S. has a new Pep Club this year! The Pep Club helps support the different sports; by making signs for the halls and gym, planning different activities, and selling all sorts of spirit promoters. The advisors are Mrs. Rate, Mr. Clark, and Ms. Morris. This year, the games and pep rallies were all rowdy and everyone had lots of school spirit!

The Photography Class has been going full steam ahead since Day One of school. Besides learning how to use the cameras, develop film and print pictures, the class has been taking and printing pictures for the Annual Staff.

The Photography Class is completely self-supporting this year. They have been taking and printing pictures for the Homer News. A majority of the students have had some of their pictures appear in this newspaper, and this has been a fun and motivating feature. It has been a busy, productive year.

# ANNUAL STAFF

The Annual Staff struggled to adjust to a feast-or-famine work schedule, fooling around on some days, working very hard and very late on others. Sometimes we had trouble making decisions, and sometimes we had trouble with the rubber cement, but we laughed a lot, ate some popcorn, and produced what we feel is the best Mariner's Log ever!

*Catherine Rate*

Members of the 1981 Mariner's Log Staff were: Jim A., Anna G., Tracy C., Mary H., Shanda J., Jane R., Sue P., Vonnell D., Lynn H., Kim C. and Julie C., ed. with Mrs. Rate, adv.

Mr. Al.

Help, my car is flying away!!

I don't know what he's doing; I just got here too!

The above pictures were taken while Dr. Pomeroy, Mr. Winn, Mr. Nauta, and Mr. Poindexter were trying out Project Adventure for the first time.

Here comes Tarzan, swingin' through the trees.

Project Adventure was set up in the spring of this year. Mr. Al Poindexter is the brain behind the project and he worked hard getting the course set up and organizing ideas. Project Adventure was developed to add a new dimension to the physical education program. The Homer course is the only one in Alaska, and one of only several hundred in the country. Students in Project Adventure learn individual self-confidence skills as well as team cooperation. Project Adventure does not only consist of such things as the "pamper pole" and the "wild woozy", but also wilderness skills, back packing and canoeing trips. Participants also learn lifetime skills such as bowling and volleyball. The purpose of Project Adventure is to give students useful skills and to add a new dimension to Physical Education. It seems the goal has been reached.

# SADIE HAWKINS

Take your pick.

I like to go like this, Shawn.

Now seriously folks!

On Friday, Oct. 18, 1980, the freshman class sponsored Sadie Hawkins day. Many participated by dressing up hillbilly style. The next night girls invited boys to the Sadie Hawkins dance which was held in the lower gym, with the freshmen doing an excellent job of decorating.

# CHRISTMAS BALL

The Christmas Ball is a winter formal customarily sponsored by the Senior class. This year's Christmas Ball, held on Dec. 22, was marked by flocks of alumni, music by Pyramid, and a gigantic Christmas tree.

# WINTER CARNIVAL QUEEN PAGEANT

The annual Homer Winter Carnival was held this year on February 6, 7, and 8. Friday night's Queen Pageant kicked off the whole carnival with fine performances by the six senior girls competing for the Winter Carnival Queen title. The girls had to work together on a dance routine, turns and just plain getting along during the weeks of preparation. It was a great experience for all of them, but more important, it was lots of fun.

# PICNIC AND CLEAN UP

This year's picnic and clean-up day was sponsored by the Student Council. The picnic was held by the track, and, as usual, when the eating began, so did the rain! Hot dogs, chips, pop, and other picnic "delicacies" were shared by all.

Activities held both in the school and outside seemed to be very successful, and the day turned out to be rewarding and fun-filled.

# EVENTS

SENIOR TOGA DAY

During the past year there have been many events at Homer High School. Unfortunately, only a few are shown on these pages. From music to athletics to community involvement to showing our school spirit, these events provided us with experiences out of the normal routine.

# BANQUET

The 1980-1981 Jr./Sr. Banquet was once again held in the basement of the Elks Hall on May 29. Dinner consisted of roast beef or halibut, mashed potatoes, vegetables and bread. Dessert was four lovely cakes baked and decorated by Beryl Myhill. Mr Clark was chosen to be the quest speaker at the banquet and told the Seniors, if they ever needed to talk, to call him. I wonder if he meant collect? David Myhill read the Senior Wills and Jim Anderson read the Senior Prophecies.

Clockwise-David Myhill reads the Senior Wills, Gene and Becky walk up the aisle, Sue and David having a good time, Pete, Beth, and Gene admiring the cakes.

# 1981 GRADUATION

On Monday June 1, 1981, the Seniors sailed off into the big world. Kathleen Wise gave the Valedictorian address, Julie Clymer the Salutatorian address and Patricia Nathanson the Co-Salutatorian address. All three did a great job. The class chose Clem Tillion to be their guest speaker and he told them "don't be afraid, be ambitious, but be kind." After the ceremony there were many tears and many smiles. It was certainly a night that the Seniors will long remember as they begin their journey into life.

"DON'T  
BE  
AFRAID,  
BE  
AMBITIOUS,

BUT  
BE  
KIND"

Falling, falling, falling...

It helps to bite your tongue.

Get off my toes!

As our memories fade and the years increase may this 1981  
Mariner's Log remind you of the wins and almost wins,  
the friends and teachers, the classes and activities,  
the clubs and teams, the joys and tears that were shared  
by us at Homer High School.
